

## GOALS Summer UPDATE - 2020

### Highlights Of Program Activities

GOALS CityPride, GOALS "Homebase" Projects, Everybody Counts, Anaheim Parks, Anaheim Public Golf Courses, GOALS Forest Service, Oak Canyon (Anaheim), El Modena Nature Center (Orange) & ABC Facilities (Anaheim) Were Featured Service Activities This Summer.

Our 3 months long "Summer of Service" featured multiple projects led by GOALS coaches who headed up 7 squads of AmeriCorps service members. The GOALS Summer Associates program and integrated ValTech Internship program set attendance and service hour records as we deployed an average of 50 service members across the region on a daily basis. Approximately 27,000 service hours were dedicated to various types of facility and program support spanning projects in Orange and LA County. See some select highlights below! [Text Link](#)

### Service Spotlight: Anaheim Parks & Golf Service

### Service Spotlight: FOOD DISTRIBUTION: Magnolia SD

As GOALS continues to create new opportunities for our involved youngsters a much anticipated new growth area for service this past summer involved our efforts to support the Angeles National Forest and a camp area in need of our help. Over the next year, we hope to be able to establish free mountain camp experiences plus add even more unique service projects to our GOALS CADETS outreach across the region.
