## AmeriCorps

Our long-standing partnership with AmeriCorps has expanded substantially! We are proud to announce this growth with 10 new AmeriCorps Vista Crew members ready for major GOALS service support roles throughout 2021\_22 program year. Most of the idealistic and committed staff had worked on other GOALS projects and have signed on to a year-long mission of service. Key focus areas are the GOALS ABC project, GOALS Everybody Counts, the GOALS camp and forest service efforts and GOALS Cadets/Workforce Development.
